GEORGIE + CHRIS

Hi!
I'M SARAH x

Natural, Authentic + Real Photography

If you love life and cherish the real moments that make it uniquely yours, then you're in the right place. x

I work very naturally on your wedding day to capture those heartfelt candid moments, and relaxed portraits. Providing natural photos with a distinctive style, and an experience that is simple, relaxed and real. I won't just stand back to 'spray and pray' with a purely candid approach, but

I won't pose every single detail and stage every aspect of your day either. I'll be in the background capturing beautiful little moments when I see them, but I'll also be there with you creating artistic images of movement and life. I know when to step back, and when to step forward to create life-filled images that show the true expression and nuances of your life, love and celebrations.

FAQ

DO YOU TRAVEL?

Yes! I travel all around Australia, including rurally. And would absolutely love to discuss travel details and quotes with you.

HOW LONG WILL IT TAKE TO RECEIVE MY PHOTOS?

Your photos will all be ready and delivered within 2-8 weeks. If the latter, you can expect quite a few teasers.

HOW MUCH DO YOU EDIT YOUR PHOTOS?

Post-processing is the most time intensive part of your package, as I work on each image individually to ensure that they all meet my artistic standard. I edit with a very natural style, inspired by both film and true-to-life colours.

DO YOU PROVIDE ALBUMS?

Yes! I absolutely love designing wedding albums, and offer them as an optional extra. (And you can put your print voucher towards one!) They are a precious and beautiful keepsake to help you relive your day.

I'M READY TO BOOK! WHAT NEXT?!

YAY! I can't wait to capture some beautiful memories of your wedding day! To book I require a signed digital contract and non-refundable \$1,000 booking fee for weddings (or \$350 booking fee for elopements). Dates cannot be reserved until these have been received. Contact me today and we can get started confirming your booking. xo
